Daily Bulletin-Public Ledger great popularity combination contest started Monday with a large list of contestants for the two districts and today it has almost reached the five hundred mark. The list will undoubtedly grow from day to day with a steady increase of votes for those who have resolved to win one of the fourteen prizes offered by the Daily Bulletin and Public Ledger. Readers of the papers and friends of the candidates can help their favorite by very little trouble on their part. To cut the coupons from the Daily Bulletin and Public Ledger is a small thing but they may be the means by which some young lady will win one of the five passenger automobiles or one of the many other valuable prizes.

Contestants should remember one thing, in each district will be given one automobile, one \$100 Victrola, one \$50 diamond ring and four other gold prizes aggregating \$100 in Gold. Contestants can take subscriptions in any part of the United States. The districts are only for the equal distribution of prizes. The five passenger touring cars will go to the most popular ladies who receive the largest number of votes in each district.

Votes Free to Patrons
Votes will decide who will become the proud possessor of one of these magnificent prizes and free to the Daily Bulletin-Public Ledger patrons. All that is required of the candidates to win in the popular voting contest is industry, a large number of friends and acquaintances. Subscribers can vote by clipping the coupon and nomination blanks from the papers daily, as each of these count, if sent to the contest manager before the expiration date printed thereon. People subscribing and paying their subscriptions also old subscribers paying arrears or prepaying, their subscriptions will receive a special vote coupon which can be voted any time during the contest.

Therefore, any person who wants to encourage an ambitious young lady can do so by paying or prepaying his subscription to either the Daily Bulletin or Public Ledger and give her the special vote coupon. Votes will be allowed and credited to candidates selected by the parties according to the schedule published daily in the Daily Bulletin and Public Ledger Campaign Office in Maysville or with any authorized representative of these

papers. Candidates may also solicit and collect subscriptions, in all cases giving the subscriber a receipt authorized by both papers for this purpose.

Nominations
The contest will be a short and sharp one. It is just started but in less than seven weeks it will be over and the prizes gained. No contestant in either district has any great number of votes and there is plenty of time for new contestants to enter the race and have the same chance to win as those already on the first. If you should wish to enter the contest and share in the many good prizes that will be awarded, or should desire to see a friend, relative, or acquaintance in the list of candidates and no nomination has been entered, you should take steps to see that such nomination is placed at once. If you are at all interested, write, call or telephone the contest manager, he will be pleased to give you prompt attention and answer all inquiries.

If there is anything concerning the contest that you do not understand write to campaign headquarters. As stated in previous announcements there will be a short writeup in the paper each day from now on to the close of the contest and those interested can keep in close touch with the contest and candidates. Certain it is that fourteen ladies from Maysville and surrounding counties are going to receive one each of these magnificent rewards and it is left to the readers of the Daily Bulletin and Public Ledger to decide.

How Territory is Divided
District No. 1 will include the territory in the City of Maysville including the entire six wards.
District No. 2 covers all towns in Mason county and the territory outside of the county in the state. Persons living in one district are not confined to voting for ladies in their own particular district but may vote for anybody in the race. This affords the young women in Maysville and surrounding counties an excellent opportunity to receive one of these valuable presents at the expense of the Daily Bulletin and Public Ledger.

Instructions for Voting
Enter the name of the lady for whom you wish to secure one of these magnificent rewards in this contest at once. She may win an automobile, \$100 Victrola, \$50 diamond ring or one of the gold prizes. Better still, get the lady to enter her name and then vote for her. Those who get in on the start have the best chance of

winning so it is desirable the name be entered at once in order to get a good start. Candidates who enter this contest do not necessarily have to be subscribers of either the Daily Bulletin or Public Ledger. Enter your name and your friends will do the rest. You will be surprised to see how rapidly the votes will come in and what little effort is necessary to win one of the rewards offered, get in at the start, and encourage your friends to vote for you, the rest will be easy. You will never know how popular you are until you enter a contest of this kind.

Write for Information
If you do not fully understand the proposition or if there is any information you desire about the details write to or call on the contest manager. He will take pleasure in giving you the data you desire, and if you will file the nomination of yourself or some friend he will send the candidate the necessary blanks and forms with which to conduct the canvass for free votes.

RELIC OF BY-GONE DAYS

Master Milton Russell is the proud owner of a bicycle that is over sixty years of age. The vehicle is about as old a looking contrivance as is to be found anywhere. The motive power is applied to the front wheel, making

it a pulling instead of a pushing piece of machinery as the present day bicycle. Another feature of the old wheel is that the wheels are of wood with a steel tire on them and it has wooden pedals. Although heavy and cumbersome looking Milt says the old

thing is much easier to run than one of the latest models. When Master Russell rides the queer looking thing through the streets of the city many of the older inhabitants turn their heads to look at a thing that brings back to them the memories of youth.

Customers were delighted with their Shoe bargains from Barkley's. We hear it every day. More bargains Saturday for you.

(Continued on Third Page)

Lay-to for a spell and swing on this:

You'll start an old-pal-party via a pipe or a makin's cigarette quick as a flash, as soon as you realize it's a live bet to let your good money rub up against some Prince Albert tobacco. Why, it's like beating back to the bushes for old-home week, P. A.'s so friendly, so chummy-like.

You see, Prince Albert lets you hear the song of the joy's jimmy pipe and the makin's cigarette all the day long! The patented process takes care of that—and cuts out the bite and parch!

PRINCE ALBERT

the national joy smoke

just hands you home-made questions like these:

Were you ever pipe-happy? Did you ever hit a brand that just pushed pleasure against your palate? The kind that sort of teased your smokeappetite for some more fire-up, then another—and so on, right to the pillow-period!

Well, that's P. A., no matter how you hook it up—pipe or cigarette. It just jams-joy into your system! You nail that fact hot off the bat, because it's case-cards information! And handed out to you for personal and immediate attention as being about as real and true as you've heard since Hector was a pup!

P. A. is sold in the tippy red bag for the price of a jitney ride, 5c; tidy red tin, 10c; pound and half-pound tin humidors—and—the classy pound crystal-glass humidor with the sponge-moistener top that's not only a joy's thing to have at home and at the office, but it keeps P. A. in the highest state of perfection.

Here is Casimiro Irado, 104 years old, who lives in Watsonville, Cal. He has a remarkable memory and clearly recalls the war in Spain in 1877, when he was a lad of 12 summers. Irado has been a smoker all his life, and today he seeks no denser, no truer friend than his old jimmy pipe. Irado has just been elected a member of the Prince Albert old-time jimmy-pipers club.

OF LOCAL INTEREST

Some People We Know, and We Will Profit by Hearing About Them.

This is a purely local event. It took place in Maysville. Not in some faraway place. You are asked to investigate it. Asked to believe a citizen's word; To confirm a citizen's statement. Any article that is endorsed at home is more worthy of confidence. Than one you know nothing about. Endorsed by unknown people.

Mrs. Dora Mofford, Maysville, says: "I had been feeling poorly for some time before I knew that my kidneys were at fault. I was nervous and dizzy and my back and head ached. I rested poorly and mornings I was all tired out. I read in a local paper how a neighbor had been cured of kidney trouble by Doan's Kidney Pills. I used them and before long I felt stronger and better and I slept good at night."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Mofford had. Foster-Milburn Co., Props., Buffalo, N. Y.

"NOVO GEORGIEVSK"

Washington, D. C.—"Novo Georgievsk," which the German armies are approaching from the northwest and the west, is one of the strongest of the fortresses upon the first line of Russian defense in the west, and forms with Warsaw, Ivangorod, and Brest Litovsk, the famous Polish Quadrilateral, of which all four fortresses are still intact and still awaiting the first Teutonic assaults," says a study in war geography, issued by the National Geographic Society. The study deals with the northernmost link in the interior chain of Russian Poland's defense, which is just coming into prominence with the recent advances of the Germans.

"Novo Georgievsk guards the western and northern approaches to the capital, Warsaw. Just as Ivanogorod guards the southern and eastern approaches. Defensive works of lesser importance lie to the north and to the west of Novo Georgievsk, nearer to the German border, most of which have already fallen before the advancing invaders. The northern angle of the Quadrilateral is a fortress of the first class, with a strong plan of outworks and minor defenses, situated upon the confluence of the Bug and the Vistula rivers. It lies 25 miles to the north and west of Warsaw.

A new circle of eight powerful forts has been thrown around the old works of Novo Georgievsk by the Russians. These forts form the main strength of the post. The forts are built to the rivers at a radial distance of ten miles from the encircle. Novo Georgievsk commands the lower Vistula and the railway between Danzig and Warsaw. It was first fortified by Charles XII of Sweden, and later considerably strengthened by Napoleon. In 1813 and 1830-31, it was several times under siege."

Washington, D. C.—The only part of Kentucky now quarantined for foot-and-mouth disease is the area covered by the Bourbon Stock Yards in Louisville. These yards are limited to handling animals for slaughter.

The order effective July 26, which makes this change in Kentucky and frees Jefferson county, also removes the last quarantines in the States of Connecticut, Kansas and West Virginia, releases four counties in Pennsylvania, five in New York, and one in Illinois, and confines the quarantines in Maryland and Virginia to the same restrictions on the yards at Baltimore and Richmond which have been imposed upon those at Louisville.

MRS. THOMSON TELLS WOMEN

How She Was Helped During Change of Life by Lydia E. Pinkham's Vegetable Compound.

Philadelphia, Pa.—"I am just 52 years of age and during Change of Life I suffered for six years terribly. I tried several doctors but none seemed to give me any relief. Every month the pains were intense in both sides, and made me so weak that I had to go to bed. At last a friend recommended Lydia E. Pinkham's Vegetable Compound to me and I tried it at once and found much relief. After that I had no pains at all and could do my housework and shopping the same as always. For years I have praised Lydia E. Pinkham's Vegetable Compound for what it has done for me, and shall always recommend it as a woman's friend. You are at liberty to use my letter in any way."—Mrs. THOMSON, 649 W. Russell St., Philadelphia, Pa.

Change of Life is one of the most critical periods of a woman's existence. Women everywhere should remember that there is no other remedy known to carry women so successfully through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

NEGRO FROM NEAR MAYSVILLE IS SAVED FROM LYNCHING

(Last night's Cincinnati Post)

Larry Garrison, 20, negro, of near Maysville, Ky., was held Thursday by Newport, Ky., police in connection with the attack Wednesday on Mrs. Lucella Crowder, 19, at Oneonta, Ky., on the C. & O. Railroad, 12 miles

southeast of Newport.

Three posses searched for the negro. He was caught while crossing the Ohio river at Ross, Ky., and taken to the home of Mrs. Crowder, who, the officers say, identified him. Five officers protected Garrison from about 50 men, who gathered at Oneonta when the train to Newport had arrived.

Ask your neighbors about those grand bargains they have gotten in this sale.

RUGGLES CAMPGROUNDS

Interesting News Notes of Happenings
At This Great Pleasure Spot

Ruggles Campgrounds, July 28. —
The annual meeting of the Ruggles
Campground Association took place
this morning. It was a lively and in-
teresting session, lasting from eight
till ten o'clock. The Association is
the governing power of the camp-
meeting. It is composed of all pastors
of the Covington and Ashland dis-
tricts, the two district superintendents
and several laymen who held mem-
bership by reason of their places on the
Board of Directors, and as representa-
tives of certain churches. This camp-
meeting was never conducted as a
money-making institution. Admission
is charged only on Saturday and Sun-
days, and this together with the rental
of cottages and privileges is all the in-
come. And whatever profits are made
are immediately used in improving the
grounds and securing special help for
the meetings. The Association elects
a Board of Directors who look after
the affairs of the campmeeting. All
pastors belonging to the Association
are entitled to attend the campmeeting
with their expenses all paid. This af-
fords the preachers a nice little mid-
summer vacation; gives them a chance
for a ten days' association with their
brothers in the ministry; and an op-
portunity to do some real christian
service in the meetings. We believe
this plan of conducting the meeting
has been the cause of its great success.
For while many campmeetings have
sprung up and prospered for awhile,
Old Ruggles continues prosperous and
more popular each year. It may be
said here that the Directors have the
matter of erecting another building
similar to the Kentucky Inn under con-
sideration.

There were about twenty members
of the Association present at their
meeting this morning. Officers were
elected as follows: President, Rev. J.
G. Dover; Vice President, Rev. C. B.
Plummer; Secretary, Rev. J. M. Lit-
eral; Treasurer, M. A. Wallingford.
Auditing committee, Revs. O. J. Car-
der and Wm. Jones. Board of Di-
rectors: Pastors at Maysville, East
Maysville, Vanceburg and Toltlesboro.
District Superintendents of the Ash-
land and Covington districts; and the
following laymen: I. M. Lane, John R.
Brodt, M. A. Wallingford, J. Robert
Hinton and Wm. P. Bowman.

The Association will see to it that
the road leading from the pike to the
camp is put in first class condition for
next year. A rigid economy will be
exercised by the Board in order to rid
the Association of a small debt, and
further improve the grounds. A new
Bible will be purchased for the pul-
pit. The greatest care will be exer-
cised in securing talent for the meet-
ings that the true evangelistic spirit
be preserved, which is the real intent
and purpose of the campmeeting.

To show the large number of young
people that attend from year to year,
that the Association appreciates their
attendance and desires for them not
only the best in the way of religious
services and influences, but that their
social life might be enjoyable, they
started a fund with which to lay out
and construct a tennis court. The
young folks appreciate the attitude of
the Association and are adding to the
fund, so that those who come next year
may depend upon it that a fine tennis
court will be ready for them.

The Board of Directors met at 1:30
this afternoon and organized by elect-
ing I. M. Lane, president, J. M. Lital-
eral, secretary, and M. A. Wallingford
treasurer. They adjourned to meet next
Monday to close up the business of
the present campmeeting.

Two more preachers came today.
Revs. J. D. Haggard of Fullerton, and
E. R. Overley of Harboursville, making
eighteen preachers present. Rev.
Overley is at present acting as field
agent for Union College. He is hav-
ing quite good success in securing
students for that popular Methodist
College.

Prof. James Avery Bell, representing
the Big Ledger and Bulletin Contest,
was a business visitor for a short
while today in camp. He was, how-
ever, long enough to see all the girls.
Several tears of regret were shed on
his departure.

President I. M. Lane was called to
Maysville this afternoon on business
connected with some contracts. He
will return tomorrow.

Miss Barbara and Bette Cook, of
Coryden, Indiana, arrived today and
are guests at the cottage of Mrs. Mon-
roe Walker.

Miss Jessie Wallingford, of Orange-
burg, is in attendance at the meeting.
The services of the day have been
especially good. Rev. Felt led the
morning devotions. Rev. T. B. Strat-
ton, of West Covington, preached an
excellent sermon at the morning hour.
Rev. Stratton is always welcomed here,
having been pastor at Toltlesboro for
five years. Many about here date the
beginning of their christian lives to
the ministry of Bro. Stratton. The
young people's meeting was taken up
with a lively discussion of the gen-
eral rules of the Methodist church. A
number of the ministers took part in
the discussion which was very en-
lightening to the assembly laymen. The

discussion will be continued tomor-
row.

For the evening service Rev. O. J.
Carder, of Paintsville, gave one of the
most earnest, and heart-rendering
sermons that has been delivered at this
campmeeting. The congregation was
large and the interest good. All the
services are growing better each day,
working up, we believe to a great
climax on Sunday, the last day. That
day we have been promised Bishop
Warner, lately returned from India.
Bishop is reputed to be one of the
most intensely evangelistic of all the
bishops, and if he comes we may ex-
pect great things. We hope to be able
to announce definitely tomorrow the
preachers for Sunday.

Mr. J. H. Bryant, of Maysville, who
is visiting in the vicinity, has been in
attendance at many of the meetings.
Miss Lena Wells Lykins is attend-
ing the meetings and is a guest at the
hotel Hamrick.

YOUNG MAN DROWNED

David A. Glascock Meets His Death
By Drowning Last Evening

Thursday evening about seven thirty
David Arnold Glascock, the eighteen
year old son of Mr. and Mrs. A. R.
Glascock of the county met his death
by drowning in the pond on the farm
of Mr. John Downing. Young Glas-
cock, together with his brother Albert,
and two friends, Herrine and Basil
Owens, went swimming in the pond.
David was the first to plunge into the
water and started to swim to the op-
posite side of the pond. When about
two-thirds of the distance was cover-
ed, he called to his friends to come
and get him as he was drowning. Her-
rine Owens hurriedly came to his re-
cue and endeavored to bring him to
shore but after he had been dragged
under by the struggling boy several
times was forced to give up the work
of rescue and swim to the bank. Word
was sent to the neighbors and in a
few minutes Mr. John Downing ar-
rived and with the help of several of
the bystanders the body was removed
from the pond and work of reviving
him was commenced. After a heroic
effort to keep the spark of life aglow,
Dr. Leslie Brand, the attending phy-
sician pronounced the young man dead
and his body was removed to the home
of his parents on the Hill City pike.
David was one of the most popular of
the younger set of this vicinity and
his sudden death will be a shock to the
entire community. The funeral will
take place from the residence on Sun-
day morning at 10 o'clock.

The World's Lowest Priced Knight Motored Car

THIS announces the greatest
achievement in the history of
the automobile business.

The Knight is the automobile
motor that revolutionized the entire
motor car industry of Europe.

The Daimler of England, the
Panhard of France, the Mercedes
of Germany, the Minerva of Belgium
—in fact practically all of the costly
European cars—are equipped with
the famous Knight type motor.

And these are the motor cars
that cost from \$4,000 to \$8,000 each!

Practically every royal and titled
family in Europe owns one or more
Knight motored cars.

The Knight type motor is the
nearest approach to 100% efficiency.

This motor differs from other
motors in that where all others deterio-
rate with use, this improves; to all
others carbon is harmful, here it is
beneficial; size for size it has more
power.

It has no noisy poppet valves; no
noisy cams; no uncertain valve
springs; no troublesome valves to
grind; practically no wearing parts.

Specifications:

60-horsepower Knight motor;
cylinders set on block, 4 1/2 x 4 1/2;
stroke 4 1/2;
High tension magneto ignition
